Re: energy.me midwest llc  
Disclosure Labels  
PSC Docket No. 13-316

Dear Ms. Bentley:

The Delaware Public Service Commission approved the electric supplier license application of energy.me midwest llc ("energy.me") on October 22, 2013. As energy.me has not yet begun marketing to Delaware consumers, nor sold electricity to, or procured electricity on behalf of, any Delaware customer, we have no information to provide in regards to the following reporting requirement - Disclosure Labels.

Please contact me should you have any questions regarding this matter.

Sincerely,

Rebecca Goold  
Compliance Manager
